4 The LadyPreneur Meet Up:

Why is it so special? While each Facebook group has its advantages and disadvantages, you will need the support as you go along in your business. I personally recommend the LadyPreneur Meet Up. Headed by me (Juli) this group was created for support first and networking purposes secondary. This is a no judgemental group, you have the opportunity to learn expert advice by the different ladies by industry, you are also free to hire, get hired as well as share without feeling like you are not valued, at the meet up you will feel right at home.
